BOHOL RISING MUSICAL
THE LOBOC CHILDREN'S CHOIR
TUESDAY 30TH JUNE 2015 at 1.30pm
Embassy of the PHILLIPINES
1 Moonah Place Yarralumla

From their humble beginnings at the Loboc Central Elementary School, 30 children aged 10 to 13 have stepped onto the world stages of the major cities in Asia, Europe and the USA and have attained international recognition...Now they are coming to CANBERRA!

With their young, angelic voices and synchronized choreographed routines, they have endeared audiences around the globe singing of a proud heritage, of faith, goodwill and hope. Ever so versatile, their fabulous repertoire ranges from classical, folk, Broadway, jazz, contemporary to the traditional Filipino classics, and reaping award after award along the way. Behind the children, a battery of talented musicians and conductors all of whom have given their time to mentor them. At the helm, is Alma Fernando-Taldo, an elementary school teacher who took the reins as musical director and conductor.

The Loboc Children's Choir is a three times winner of the National Music Competitions for Young Artists in the Philippines. They clinched top honours at the European Folksongs Festival in Barcelona, Spain in 1993 and 3635581995 and took home the Gold medal in the children's choir category in 2001. In 2011, they came third in the "Certamen Choral de Tolosa," Tolosa Spain and came home last year with the silver from the China International Chorus Festival in Beijing, China. They have made their bows before the world's top dignitaries including the late Pope John Paul II and a command performance for Her Majesty Queen Sofia of Spain during a cultural exchange visit to the Philippines.

As young cultural ambassadors of the country, they have helped promote the province of Bohol as a Heritage destination and have lent their voices to raise funds for the reconstruction of the earthquake ravaged churches and the rehabilitation of the region

All monies raised from these concerts will go directly to the the rebuilding of Bohol.

This concert will make you quiver and the children will no doubt, touch your hearts.
