The Philippine Embassy is pleased to inform you that the Information and Business Process of the Philippines (IBPAP) and Asiatype, Inc. will be launching the Offshoring and Outsourcing Directory 2013-2014. This is a comprehensive IT-BPM directory which includes details of a company's profile, industry or specialization, areas of operations, capital affiliations, location and contact information.

The said directory will be launched as an eBook which can be downloaded for **free** from the Apple iBookstore, Amazon, www.bpap.org, and www.asiatype.com later this month.

In light of the foregoing, the Embassy requests your assistance in disseminating the above information to concerned parties particularly those from the IT-BPM industry.

The Embassy highly appreciates your continued support to the Philippines' economic diplomacy program.

Very truly yours,

BELEN F. ANOTA
Ambassador
